### **NOTICE TO CARRY OUT AN OPERATION LIKELY TO DAMAGE SPECIAL INTEREST UNDER SECTION 28E OF THE WILDLIFE AND COUNTRYSIDE ACT 1981, AS AMENDED**

#### Aber Mawddach SSSI

We hereby give notice under Section 28E of the Wildlife and Countryside Act 1981, (as amended), of our proposal to carry out, cause or permit to be carried out the operation(s) specified below:-

- 1. Details of proposed operation:-** To position isolated individual boulders in strategic positions on land above Mean High Water in the area known as Pwynt Penrhyn near Fairbourne. The purpose of the boulders is to restrict and prohibit vehicles from accessing sensitive areas of the salt marsh and intertidal area thereby offering additional protection to the conservation of the area.
- 2. We intend to carry out this operation on the area of land detailed below:**  
  
Land in the vicinity of the Public Slipway at Pwynt Penrhyn near Fairbourne. The attached map provides an indication of intended boulder positions. The precise number may vary but not excessively.
- 3. We propose to carry out the operation during:** Daylight hours Monday to Saturday. The precise date is subject to confirmation. The works will not extend for a period not exceeding one full working day.
